

FEEDING GUIDELINES

FROZEN NIBBLETS

6 lb. pet = 2-3 oz. per day
25 lb. pet = 1/2 lb. per day
100 lb. pet = 2 lbs. per day

12 lb. pet = 1/4 lb. per day
50 lb. pet = 1 lb. per day

The above feeding guide is based on feeding 2% of body weight. Growing puppies/kittens and pregnant or lactating dogs/cats may require as much as 3-4% of body weight fed daily during early growth and high bio-performance requirement periods.

FROZEN PET PATTIES

6 lb. pet = 1/4 patty per day
25 lb. pet = 1 patty per day
100 lb. pet = 4 patties per day

12 lb. pet = 1/2 patty per day
50 lb. pet = 2 patties per day

The above feeding guide is based on feeding 2% of body weight. Growing puppies/kittens and pregnant or nursing dogs/cats may require as much as 3-4% of body weight fed daily during early growth and high bio-performance requirement periods.

FROZEN MINI PET PATTIES

6 lb. pet = 1 patty per day
25 lb. pet = 4 patties per day

12 lb. pet = 2 patties per day
50 lb. pet = 8 patties per day

The above feeding guide is based on feeding 2% of body weight. Growing puppies/kittens and pregnant or lactating dogs/cats may require as much as 3-4% of body weight fed daily during early growth and high bio-performance requirement periods.

SPRINKLES

6 lb. pet = 1/3 cup per day (loose, not packed)
25 lb. pet = 1-1/2 cup per day (loose, not packed)
100 lb. pet = 6 cups per day (loose, not packed)

12 lb. pet = 3/4 cup per day (loose, not packed)
50 lb. pet = 3 cups per day (loose, not packed)

Growing puppies/kittens and pregnant or lactating dogs/cats may require as much as double, fed daily, during early growth and high bio-performance requirement periods.

FREEZE-DRIED NIBBLETS

6 lb. pet = 1/3 cup per day
25 lb. pet = 1-1/2 cups per day
100 lb. pet = 6 cups per day

12 lb. pet = 3/4 cup per day
50 lb. pet = 3 cups per day

Growing puppies/kittens and pregnant or lactating dogs/cats may require as much as double, fed daily, during early growth and high bio-performance requirement periods.

FREEZE-DRIED PET PATTIES

6 lb. pet = 1/4 patty per day
25 lb. pet = 1 patty per day
100 lb. pet = 4 patties per day

12 lb. pet = 1/2 patty per day
50 lb. pet = 2 patties per day

Growing puppies/kittens and pregnant or nursing dogs/cats may require as much as double, fed daily, during early growth and high bio-performance requirement periods.

FREEZE-DRIED MINI PET PATTIES

6 lb. pet = 1 patty per day
25 lb. pet = 4 patties per day

12 lb. pet = 2 patties per day
50 lb. pet = 8 patties per day

Growing puppies/kittens and pregnant or lactating dogs/cats may require as much as double, fed daily, during early growth and high bio-performance requirement periods.
